4. Proceedings in the district court under this subsection shall be confidential and have precedence over other pending matters. 5. A hearing on the merits of the petition, on the record, must be held as soon as possible and within 3 judicial days after the filing of the petition. At the hearing the court shall hear evidence relating to

(a) The minor's emotional development, maturity, intellect, and understanding;

(b) The minor's degree of financial independence and degree of emancipation from parental authority;

6. The court shall authorize a physician to perform the abortion if the judge determines that the minor is mature and capable of giving informed consent to the proposed abortion. If said judge determines that the minor is not mature, or if the minor does not claim to be mature, the judge shall determine whether the performance of an abortion upon the minor without notification required by subsection 1 would be in the minor's best interests.

7. The district court will enter an order on the petition within 1 judicial day of the hearing. In the order, the court shall, for good cause,

(a) Grant the petition, and give judicial authorization to permit a physician to perform an abortion without the notification required by subsection 1; or

(b) Deny the petition, setting forth the grounds on which the petition is denied.

8. Upon request of the minor, an expedited appeal from an order issued under subsection 7 may be taken to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution, which shall suspend the Nevada Rules of Appellate Procedure pursuant to NRAP 2 to provide for an expedited appeal. The notice of appeal must be filed with the district court clerk within 1 judicial day after the date on which the minor is served with the district court's written order pursuant to subsection 7. The record on appeal shall be perfected within 5 judicial days after the filing of the notice of appeal and transmitted to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court. The appellate court of competent jurisdiction shall, by court order or rule, provide for a confidential and expedited appellate review of cases appealed under this subsection.

9. Absent authorization under subsections 7 or 8, if a person knowingly performs an abortion upon a minor in violation of subsection 1, the person is guilty of a misdemeanor.

10. Any provision contained in any subsection 1-9 shall be deemed a separate and freestanding right and shall remain in full force and effect should any other provision in any subsection 1-9 be stricken for any reason.

DESCRIPTION OF EFFECT

If passed, this initiative will prohibit a physician from knowingly performing an abortion upon a minor unless: (1) a custodial parent or guardian of the minor is notified prior to the abortion (“parental notification requirement”); or (2) upon the petition of the minor, a Nevada court authorizes the abortion without parental notification (“judicial bypass”). Presently, a pregnant minor in the state of Nevada can get an abortion without parental notification or authorization by a court. The Nevada legislature passed a parental notification requirement in 1985, but the law was never enforced because a federal court found that its judicial bypass portion was not written appropriately. This initiative addresses this by rewriting the expedited judicial bypass schedule. It also amends law to enhance protection of the minor’s privacy and to provide a penalty for violations. The amended law will provide that a Nevada court may authorize an abortion for a minor without parental notification if the court finds that the minor is sufficiently mature and capable of giving informed consent to the proposed abortion or that the performance of an abortion on the minor without notification of a custodial parent or guardian would be in the minor’s best interests.
